

Jorja Smith - Something In The Way

Tom: G

m

When I left I thought I would be stronger

But in fact, it took away my energy

Hard to tell you that I could not really see

Beyond the gates of this purgatory

I am so tainted now, I cannot wash you off

The memories still don't seem to fade

When I left, did you even wash your tears?

'Cause mine have been dryin' for days

Somethin' in the way

Why am I cryin' for you, babe?

Can't stand the rain

Time to move on anyway

Don't ask me why

It's done

So long, goodbye

I'm gone

'Cause only sun in the summer lasts

No holdin' on and no lookin' back

Even the sun doesn't seem to last

It don't hold on, it's not comin' back

If I kept a hold a little longer

I would never think I'd ever get away

Don't want to say I tried to keep ya

Say love is blind, I couldn't see you change, no

Don't wanna find myself back in that place

I have wasted all my tears on fools

There was no help for me, no savin' grace

I had been tryin' for days

There was somethin' in the way

Why am I cryin' for you, babe?

No I can't stand the rain

Time to move on anyway

Don't ask me why

It's done

So long, goodbye

I'm gone

'Cause only sun in the summer lasts

No holdin' on and no lookin' back

Even the sun doesn't seem to last

It don't hold on, it's not comin' back

Well there was somethin' in the way

Why am I cryin' for you, babe?

I can't stand the rain

Time to move on anyway

'Cause only sun in the summer lasts

No holdin' on and no lookin' back

Even the sun doesn't seem to last

It don't hold on, it's not comin' back

Even the sun in the summer doesn't seem to last
