## Jorja Smith - Teenage Fantasy

And I was told by my mother tom: Fm If I look into the future Em **R7** Δm You weren't the boy I thought I knew Do I really see this boy Em Maybe I was blind, I was young That I think I've fallen for? Em I didn't have a clue **R7** Δm **B7** We all want a teenage fantasy Am You were the topic of my lunch times Em Want it when we can't have it Em I'd bore the girls about our chats When we got it we don't seem to want it, no And get upset when you didn't text back **B7** We all want a teenage fantasy B7 Fm Am  ${\tt I}$  was warned by my brothers Want it when we can't have it Em To find another lover When we got it we don't seem to want it Stop falling for these boys **B7** Am When we are young Who didn't want the same as me **B7** Em We all want someone **B7** Fm And I was warned by my brothers Who we think is the one Fm To find another lover Just to fit in Stop falling for these boys **B7** There's no need to rush Who didn't want the same as me **B7** Take your time **B7** Em We all want a teenage fantasy Life's a big old ride Fm Fm Want it when we can't have it Sit back and enjoy the vibe When we got it we don't seem to want it Am When we are young B7 Am We all want a teenage fantasy **B7** We all want someone Fm Want it when we can't have it Fm Who we think is the one When we got it we don't seem to want it Just to fit in **R7** I've got a lot of things to do Δm **B7** There's no need to rush Fm What if I had been a fool **B7** Take your time And thought I was in love with you? Fm B7 Life's a big old ride Am I need to grow and find myself Sit back and enjoy the vibe Fm Before I let somebody love me **B7** Am Because at the moment I don't know me We all want a teenage fantasy Fm **R7** Want it when we can't have it When I was told by my father When we got it we don't seem to want it If I look into the future B7 Am We all want a teenage fantasy Do I really see this boy Fm Want it when we can't have it That I think I've fallen for? When we got it we don't seem to want it **B7**
