

José Acácio Santana - Natal de Jesus (A Noite Enquanto a Cidade Sonhava)

Tom: C

A noite enquanto a cidade sonhava
 No céu a luz de uma estrela brilhava
 E os anjos anunciavam
 Hoje é natal de Je.....sus!

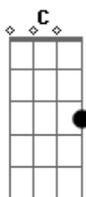

1- A noite ficou tão cla....ra
 Tão clara como de dia
 Na gruta Jesus menino

Humilde e pobre nasceu

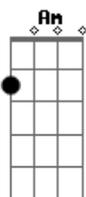

2- No campo, junto aos rebanhos
 Alguns pastores dormiam
 Mas acordaram com os anjos
 Que glória a Deus repediam

3- E foi assim que nasceu
 O rei de toda esperança
 Nos braços da mãe Maria
 Em forma de uma criança
