

# José González - How Low

tom:  
**Db** (forma dos acordes no tom de **C** )  
 Capotraste na 1ª casa

Afinação: **D A D Gb B E**

Feeding a monster, just feeding a monster  
 Invasion after invasion  
 This means war, this means war

How low are you willing to go  
 Before you reach all your selfish goals  
 Punch line after punch line  
 Leaving us sore, leaving us sore

Someday you'll be up to your knees  
 In the shit you see  
 All the gullible that you mislead  
 Won't be up or it

Where to, will you relocate  
 Now that it's war, now that it's war

Absorbed in your ill hustling
