

José González - Stay Alive

Tom: Gb

There's a ^{Gb} rhythm in ^{Db} rush these ^{Ebm} days
 Where the ^{Ebm} lights don't ^{Db} move and the ^B colors don't ^B fade
 Leaves you ^{Gb} empty with ^{Db} nothing but ^{Ebm} dreams
 In a ^{Ebm} world gone ^{Db} shallow
 In a ^{Db} world gone ^B lean
 Sometimes there's ^{Gb} things a ^{Db} man cannot ^{Ebm} know
 Gears won't ^{Ebm} turn and the ^{Db} leaves won't ^B grow
 There's ^{Gb} no place to ^{Db} run and ^{Ebm} no gasoline
 Engine won't ^{Ebm} turn
 And the ^{Db} train won't ^B leave
 Engines won't ^{Gb} turn and the ^{Db} train won't ^B leave
 I will ^{Gb} stay with ^{Abm} you ^{Ebm} tonight
 Hold you ^{Db} close 'til the ^{Ebm} morning ^B light
 In the ^{Gb} morning ^{Abm} watch a ^{Ebm} new ^B day rise
 We'll ^{Db} do whatever ^{Ebm} just to ^B stay alive
 We'll ^{Db} do whatever ^{Ebm} just to ^B stay alive
 Well the ^{Gb} way I feel is the ^{Db} way I ^{Ebm} write
 It isn't ^{Ebm} like the ^{Db} thoughts of the ^B man who ^B lies
 There is ^{Gb} a truth and it's ^{Db} on our ^{Ebm} side
 Dawn is ^{Ebm} coming
 Open your ^{Db} eyes
 Gb Db B

Look into the sun as the new days rise

Gb Abm Ebm B
 And I will wait for you tonight
 Db Ebm B
 You're here forever and you're by my side
 Gb Abm Ebm B
 I've been waiting all my life
 Db Ebm B
 To feel your heart as it's keeping time
 Db Ebm B
 We'll do whatever just to stay alive
 Gb
 Dawn is coming
 Db B
 Open your eyes
 Gb
 Dawn is coming
 Db B
 Open your eyes
 Gb
 Dawn is coming
 Db B
 Open your eyes
 Gb
 Dawn is coming
 Db B
 Open your eyes

Gb Db B
 Look into the sun as the new days rise
 Gb Db Ebm
 There's a rhythm in rush these days
 Ebm Db B
 Where the lights don't move and the colors don't fade
 Gb Db Ebm
 Leaves you empty with nothing but dreams
 Ebm
 In a world gone shallow
 Db B
 In a world gone lean
 Gb Db Ebm
 But there is a truth and it's on our side
 Ebm Db B
 Dawn is coming open your eyes
 Gb Db B
 Look into the sun as a new days rise
