

# Josh Farro - On a Wire

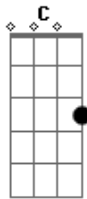

Tom: C  
Intro: F7m Am G C

Am  
Awake at night  
Comfortably restless in this bed  
Am  
We push rewind  
On conversations in our heads  
Am  
The silence,  
The silence steals the air  
C  
I?ve got you walking on a tight rope, honey  
G  
You?re trying hard to keep the engine running  
Afraid you?ll cross over the line  
A victim of this petty crime  
C  
I?ve got you walking on a tight rope, honey  
I?ve got you walking on a wire

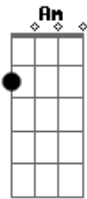

( F7m Am G C )

Am  
A glass of wine  
A medication for the past  
Am  
The hands of time  
Can?t turn around, can?t take it back  
Am  
Oh, the silence  
The silence steals the air  
C  
I?ve got you walking on a tight rope, honey  
G  
You?re trying hard to keep the engine running  
Afraid you?ll cross over the line  
A victim of this petty crime  
C  
I?ve got you walking on a tight rope, honey  
I?ve got you walking on a wire
