

# Josh Wilson - Always Only You

tom:

Intro: Eb Bbm7 Fm7 Ab

One year after the rings and a west coast honeymoon  
We are living in a rented house with a terrible view  
You're finishing school and i'm writing songs  
We've got no money but our love is strong

I'm gonna love you always  
Even on the not so sunny days  
Through the good and the bad  
Baby, i still do  
'cause it's always only you  
( Eb Bbm7 Fm7 Ab )

One day maybe you'll be a mom and i'll be a dad  
But right now, baby just kiss me and let's not think about that  
'cause we're too busy planning cheap dates  
We're rentin' old movies and staying up late

I'm gonna love you always  
Even on the not so sunny days  
Through the good and the bad

Baby, i still do  
'cause it's always only you

[Ponte]

You you you you you you  
Do you remember the first time you held my hand  
I'm sure I would have liked that concert, but I wasn't watching the band

( Ab Eb Bb Cm )

I'm gonna love you always  
Even on the not so sunny days  
Through the good and the bad  
Baby, i still do  
I'm gonna love you always  
Even on the not so sunny days  
But I meant what I said when I said I do  
'Cause it's always only, just you and me  
Always only you
