

Joshua Bassett - Dancing With Tears In My Eyes

tom:
A

(I lied when I said I'm fine)

(At the disco dancin' with tears in my eyes)

Dancin' with a cigarette, drunk on a Sunday morning

Standin' on the edge is something we'll regret

Makin' a mess of the bed we made

Playin' with fire we already tamed

Romeo and Juliet, we should've known better

I caught your eyes under the lights

And now I'm spinnin'

I lied when I said I'm fine

At the disco dancin' with tears in my eyes

I cry every time our song comes on

It breaks my heart, dance in the dark so you don't see me fall apart

Ooh

I lied when I said I'm fine

At the disco dancin', dancin' with tears in my eyes

Eyes, eyes

Dancin' with tears in my eyes

Eyes, eyes

Dancin' with tears in my eyes

Eyes, eyes

Everybody's askin' if I'm happy for ya (dum, dum-dum, dum)

Nothin' to regret, we went our separate ways (dum, dum-dum, dum)

It's eatin' me alive to see you doing better, maybe my wine will help me forget you

Seein' you tonight, I'm right back where we met (ah)

I lied when I said I'm fine

At the disco dancin' with tears in my eyes

I cry every time our song comes on

It breaks my heart, dance in the dark so you don't see me fall apart

Ooh

I lied when I said I'm fine

At the disco dancin', dancin' with tears in my eyes

Eyes, eyes

Dancin' with tears in my eyes

Eyes, eyes

Dancin' with tears in my eyes

Dancin' with tears in my eyes, oh, ooh

I lied when I said I'm fine

At the disco dancin' with tears in my eyes

I cry every time our song comes on (our song comes on)

It breaks my heart, dance in the dark so you don't see me fall apart

Ooh

I lied when I said I'm fine

At the disco dancin', dancin' with tears in my eyes

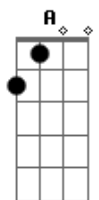

Eyes, eyes

Dancin' with tears in my eyes

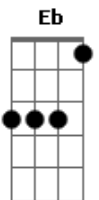

Eyes, eyes

(Eyes, eyes)
