tom:

Intro: A E Gbm D

[Primeira Parte]

A E  
Darling how I missed you, two years not even friends  
Gbm D  
And I'm trying not to kiss you 'cause we've seen how this can end  
A E  
And my therapist would kill me if she knew that I was here  
Gbm D  
But no one knows me like you know me dear  
D  
And no one holds me how you hold me dear

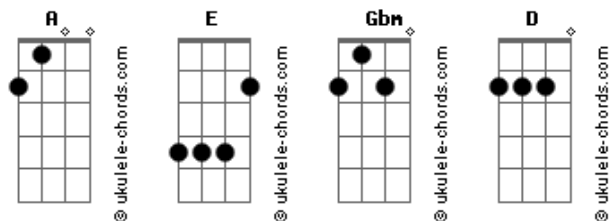

[Refrão]

A E  
I'm back in your arms but everything's changed  
Gbm D  
Now we've been to hell and back again  
A E  
My biggest regret was walking away  
Gbm D  
I'm not gonna make the same mistake  
A E  
I know you're afraid we'll end up the same  
Gbm D  
And the truth is we might but if we do this thing right  
A E  
Maybe this time it'll be different  
E Gbm D  
Maybe this time it'll be different, different

[Segunda Parte]

A E  
Now I'm late to catch a red eye, I didn't think we'd end up here  
Gbm D  
Yeah I'm already on cloud nine, don't want to head back down the stairs  
A E  
And I didn't think you'd kiss me but I'm too in love to care  
Gbm D  
So kiss me slow before I go my dear
