

# Joshua Bassett - Different

tom:

Intro: A E Gbm D

[Primeira Parte]

A E Gbm D  
 Darling how I missed you, two years not even friends  
 And I'm trying not to kiss you 'cause we've seen how this can end  
 And my therapist would kill me if she knew that I was here  
 But no one knows me like you know me dear  
 And no one holds me how you hold me dear

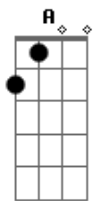

[Refrão]

A E Gbm D  
 I'm back in your arms but everything's changed  
 Now we've been to hell and back again  
 My biggest regret was walking away  
 I'm not gonna make the same mistake  
 I know you're afraid we'll end up the same  
 And the truth is we might but if we do this thing right  
 Maybe this time it'll be different  
 Maybe this time it'll be different, different

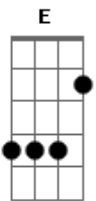

[Segunda Parte]

A E Gbm D  
 Now I'm late to catch a red eye, I didn't think we'd end up here  
 Yeah I'm already on cloud nine, don't want to head back down the stairs  
 And I didn't think you'd kiss me but I'm too in love to care  
 So kiss me slow before I go my dear

[Ponte]

 Make me yours and I'm not leaving  
 I know for sure you're all I needed  
 I can't believe I didn't see it  
 We took our time with space we needed
