                        tom:
                   D
          D       D            Bm
Falling in and out of love
              G        A
Can make it hard to love yourself
D       D       Bm         G        A
Someone puts you on a ⬚⬚pedestal and leaves ⬚⬚you on the shelf
D       D       Bm         G        A
And you're left ⬚⬚to wonder what you did or didn'⬚⬚t do enough
D       D       Bm         G            A  A
A
```

```
Painfully you tell yourself you were not worthy of their love
G  A   D                       D
Oooh, You brought self doubt in
                               Bm
Then just walked out in
                               G          A
To a painless place you can call home
D                   D
Leavin me on the floor
                               Bm
Not so sure anymore
                               G        A  A  A  D
I am left losing sleep over you
