Close the book before it turns to tragedy Bb Dm7 C
 Tear the tree house down, give up the fantasy Bb F
 Nothin' to regret, since the day we met C Dm Bb
 Glad we took a chance makin' our own world Dm7 F C

I love you so much that I've gotta let you go F C
 It couldn't last forever Dm C

It was good together Dm C
 But now I've gotta let you go Bb Bb2

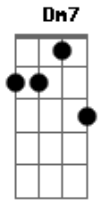

I'm pickin' up pieces left and right Gm
 Now that our hearts are both untied Dm C
 It'll take time, it'll take time F C
 No one can say we didn't try Gm
 I'll think of these days all my life Dm C
 It'll take time, it'll take time F C

I love you so much that I've gotta let you go F C
