

Joshua Bassett - Let You Go

tom:

F Dm C

Close the book before it turns to tragedy
Bb Dm C
Tear the tree house down, give up the fantasy
Bb F
Nothin' to regret, since the day we met
C Dm Bb
Glad we took a chance makin' our own world
Dm F C
Perfectly imperfect like it had to be

Bb

Who thought that one first kiss
Dm
Would turn into two heartbreaks?
F
'Cause, since we were young, I swore
C
I'd never walk away

F C

I love you so much that I've gotta let you go
Dm C
It couldn't last forever
Bb
And I hope you find better
F C
I can't forget us, can't pretend we ain't broken

Dm C

It was good together
Bb Bb2
But now I've gotta let you go

Gm

I'm pickin' up pieces left and right
Dm C
Now that our hearts are both untied
F C
It'll take time, it'll take time
Gm
No one can say we didn't try
Dm C
I'll think of these days all my life
F C
It'll take time, it'll take time

F C

I love you so much that I've gotta let you go
Dm C
It couldn't last forever
Bb
And I hope you find better, yeah
F C
I can't forget us, can't pretend we ain't broken
Dm C Bb
It was good together
Now I've gotta let you go
