

Joshua Bassett - Let You Go

tom:
 F
 Close the book before it turns to tragedy
 Bb Dm C
 Tear the tree house down, give up the fantasy
 Bb F
 Nothin' to regret, since the day we met
 C Dm Bb
 Glad we took a chance makin' our own world
 Dm F C
 Perfectly imperfect like it had to be
 Bb
 Who thought that one first kiss
 Dm
 Would turn into two heartbreaks?
 F
 'Cause, since we were young, I swore
 C
 I'd never walk away
 F C
 I love you so much that I've gotta let you go
 Dm C
 It couldn't last forever
 Bb
 And I hope you find better
 F C
 I can't forget us, can't pretend we ain't broken

Dm C
 It was good together
 Bb Bb2
 But now I've gotta let you go
 Gm
 I'm pickin' up pieces left and right
 Dm C
 Now that our hearts are both untied
 F C
 It'll take time, it'll take time
 Gm
 No one can say we didn't try
 Dm C
 I'll think of these days all my life
 F C
 It'll take time, it'll take time
 F C
 I love you so much that I've gotta let you go
 Dm C
 It couldn't last forever
 Bb
 And I hope you find better, yeah
 F C
 I can't forget us, can't pretend we ain't broken
 Dm C Bb
 It was good together
 Now I've gotta let you go
