My friends all warned me I should run for the hills
But I defended you still

Oh, your secret's safe with me
And him, and all of our friends you told
Oh, you don't even know, I know
Don't worry, 'cause I'm keepin' my mouth closed
Yeah, your secret's safe with me
And him, and everyone else who knows
Darlin', how could you be so cold?
Don't worry, 'cause I'm keepin' my mouth closed
Yeah, your s?cret's safe with me

Your smoke and mirrors had me hypnotized
Right in front of my eyes

When your "Woe is me" stops workin'
I bet your songs won't sound the same
The truth you can't deny changed everything
Oh, you can't hide behind what's clear as day
