

Joshua Bassett - The Golden Years

tom:
 Gb (forma dos acordes no tom de D)
 Capotraste na 4ª casa

Woo-ooh, woo-ooh

Time stopped movin' the minute I saw ya

You took my Taylor guitar in the city of stars and you made it
 Your own

(In the city of stars and you made it your own)

Late night, oh, how I'm missin' those brown eyes

Funny I'd rather be fightin' with you than alone in the city
 we

Knew

(Alone in the city, alone in the city we knew)

Four years gone by in the blink of an eye

We were young till we weren't

It was fun till it hurt

Now I'm terrified that I'll never find love like yours

If I would've known

Those were the golden years

I would've held you longer that night when you kissed me
 goodbye

Through your tears

If I would've known

Those were the golden years

I would've never left you alone when you needed me most, my
 dear

'Cause those were the golden years (woo-ooh, woo-ooh)

Those were the golden years (woo-ooh, woo-ooh)

I left you under the cherry tree that June

Back at the place where I told you that I loved you way too

soon

(Loved you way too soon, loved you way too soon)

Lately, I stare at the pictures you gave me

I can't help wonderin' if you ever stare back at them too

(Stare back at them, stare back at them)

If I would've known

Those were the golden years

I would've held you longer that night when you kissed me
 goodbye

Through your tears

If I would've known

Those were the golden years

I would've never left you alone when you needed me most, my
 dear

'Cause those were the golden years

So dance with me under the cherry tree, darlin'

We'll act like we're still young and free (mmm)

'Cause I'm still in love with the story of us

We were young, but our love, it was real

If I would've known

Those were the golden years

I would've held you longer that night when you kissed me
 goodbye

Through your tears

If I would've known

Those were the golden years

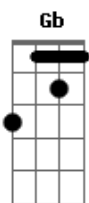

I would've never left you alone when you needed me most, my
 dear

'Cause those were the golden years (woo-ooh, woo-ooh)

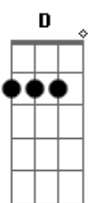

Those were the golden years (woo-ooh, woo-ooh)

Those were the golden years
