Tom: D
Intro: D  G  D  A  D  G  A  D

D    G  D                  A  D
Baby you, you got what I need
D    G     A        D
Baby you, you got my sunshine
D    G  D                  A  D
Baby you, you got what I need
D    G     A           D  G
Baby you, you got my sunshine
G    D           Gbm          Bm
When I see you it's a beautiful world
             Bm  G                A
But when you're gone, I want you in my arms
I'm telling you the last time
D    G  D                  A  D
Baby you, you got what I need
D    G     A           D  Gbm
Baby you, you got my sunshine
Gbm    Bm                 G   D
Every night I notice you're all alone
A              Bm   Gbm
One day you might
Gbm    Bm                 G
```

```
Let me love you I'm on fire
                          A
Can't you feel my desire
I want to take you higher

[Solo] D  G  D  A  D  G  A  D

Gbm                  Bm
It's a simplest thing
                  G      D
Always so hard to see
       A   Bm  Gbm
I want to be
Gbm         Bm               G
The one and only making you feel love
                   A
Oh darling I need love
It's all I can dream of

Baby you, you got what I need
Baby you, you got my sunshine
Baby you, you got what I need
Baby you, you got my sunshine
You got my sunshine
```
