

Joshua - Remembering You

Tom: D

Int: D Bm 2X

Remembering, life in a world so far away
 Remembering, strangers we were No words to say
 Patiently, leaving my home With nowhere to stay

I tried to make it on my own
 Knew someday i'd never be alone

Can't escape, no matter what i think of you
 Warm embrace, see through your eyes A different way
 Empty place, all other hearts with love that fades

Tried to make it on my own
 Knew someday i'd never be alone
 My world was lost, a city so cold
 Time hasn't changed, your world so old
 Oh lord, remembering you

SOLO: D Bm D Bm D Bm A G A G G A D

My world was lost, a city so cold
 Time hasn't changed, your world so old
 Oh lord, remembering youuuu, remembering you
