 This world is a desert

 But it ain't my home

 Cloud by the day
 A
 Fire by the night

 I'll follow You

 Noon or moonlight

 All of these years
 A
 Feels like a lifetime
 E Gbm Bm
 I'm finding it's true, ooh-ooh
 E
 There ain't no one quite like You

A - Gbm - D - E

A
 Wandering the desert
 Gbm A
 You learn what you need
 D
 Food and a shelter

Water to drink
 A
 I need Your love more
 Gbm A
 Than all of those things
 D
 Without you God

Where would I be?

Bm E
 Cloud by the day

 Fire by the night
 Gbm
 I'll follow You

Bm E
 Wherever You lead
 A
 There I will go
 Gbm
 The ups and the downs
 Bm
 The highs or the lows

 I know

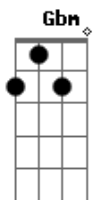

Bm E
