

Josiah Queen - I'll Fly Away (feat. Benjamin William Hastings)

tom:

[Primeira Parte]

There is a place I long to go
Where the pain gets turned away right at
The door
No one gets sick, no one gets old
No more fightin', no more strivin' anymore
'Cause I'm on a train that's bound for glory
Got friends and family waitin' for me
And they're already singin': Holy
Singin': Holy, Holy, Holy is the Lord

[Refrão]

One day I will fly away
Trade these bones for loads of grace
And I just can't shake this feeling in my soul
Heaven is my home
This world is a temporary place
I'll leave it one day out of the grave
I'll fly away
I'll fly away

[Segunda Parte]

There is a place I long to know
Where the heroes of the faith walk
Streets of gold

And from that place, I'll join the song
Singin': Holy, Holy, Holy is the Lord

[Refrão]

One day I will fly away
Trade these bones for loads of grace
And I just can't shake this feeling in my soul
Heaven is my home
This world is a temporary place
I'll leave it one day out of the grave
I'll fly away
I'll fly away

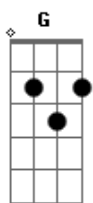

[Ponte]

I'm on a train that's bound for glory
Got friends and family waitin' for me
And they're already singin': Holy
Singin': Holy, Holy, Holy is the Lord

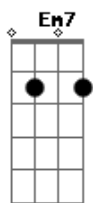

[Refrão]

One day I will fly away
Trade these bones for loads of grace
And I just can't shake this feeling in my soul
Heaven is my home
This world is a temporary place
I'll leave it one day out of the grave
I'll fly away
I'll fly away
