                                                                 'Till the next time you're mine
(Verse)
                                                                 (Bridge)
Fbm7
                                                                 Fbm7
                                                                 And the higher you take me
Little angels
Bbm7
                                                                 Bbm7
                                                                 The more that you make me
Whisper softly
Ebm7
                                                                 Ebm7
While my heart melts
                                                                 Feel so hazy
                                                                 Dh
For you and I'll see
                                                                 Tell me what this means
Ebm7
Only sunshine
                                                                 (Chorus)
                                                                 Fbm7 Bbm7
Bbm7
Only moonlight
                                                                 I got jet lag and I never even left the ground
For the first time its real
                                                                 See it's like that every time you come around
                                                                 Ebm7 Db
                                                                 Oh, I'm so hung over and I never even touched a drop
(Bridge)
Ebm7
                                                                 Ebm7
And the higher you take me
                                                                 See I can't get enough
Bbm7
                                                                 Gbm7
                                                                 This must be love
The more that you make me
Fbm7
Feel so hazy
                                                                 (Interlude)
Tell me what this means
                                                                 Whenever you're with me
                                                                 Ebm7
                                                                 It feels like gravity
(Chorus)
Ebm7 Bbm7
                                                                 Gbm7
I got jet lag and I never even left the ground
                                                                 Ain't got no hold on me

See it's like that every time you come around
                                                                 Tell me what does this mean
Ebm7 Db
                                                                 Rhm F
Oh, I'm so hung over and I never even touched a drop
                                                                 This must be love
                                                                 Abm Eb
See I can't get enough
                                                                 Love

How the time flies
                                                                 And it's like that every time you come around
Bbm7
                                                                 Ebm7 Db Ebm7
When you're near me
                                                                 I'm so hung over and I never even touched one drop
Ebm7
                                                                 Gbm7
Get those butterflies
                                                                 See I got jet lag
                                                                 Fbm7
Inside and I'll be
                                                                 Baby don't you know
                                                                 You really really got it goin' on
