

# Joss Stone - Newborn

Tom: C  
Intro: 2x: G Em C G

Parte 1:

G Em C G  
What happened to this morning when I, I woke up hung over?

Em C G  
What happened to the people walking hand in hand, yeah?

Em C G  
Let's treat this day like a newborn baby want to be looked after

Em C G  
Let's treat this moment like one never felt before

Refrão:

G Em C G  
Everybody walk hand in hand, get hold of your land, push together, yeah

Em C G  
Everybody get over hate, you turned up too late, that trick's over

Parte 2:

G Em C G  
What happened to the story, when the light let go of darkness?

Em C G  
What happened to that ray of sunshine, she was fighting strong

Em C G  
No more delay, no more competing, for a happy ever after

Em C G  
Today we play in one team, yes that's one team for all

(Repete: refrão)

Ponte:

Bm (Bbm) Am  
Bbm

We roll on bleeding weak from strong, knowing right from wrong

Bm C  
G  
What happened to this morning, when I woke up and the world was bruised

(G Em C G) 2X

Parte 3:

G Em C G  
See, everybody's taking care of themselves

Em C G  
Not looking out of the widest window

Em C G  
Somehow everybody's taking care of themselves, but not no one else

Em C  
What happened to this morning?

G  
We're stalling our love

(Repete: refrão)

G Em C  
What happened to this morning when we woke up hung over?

G  
Like soul ache forever

Em C G  
What happened to that day, when the people walked hand in hand, together, man?

Em C G  
Let's treat this day like a newborn baby, want to be taken care of

Em  
What happened to this morning?

C G  
We're stalling our love

G  
What happened to that day?
