

Joss Stone - Right To Be Wrong

tom:

Intro: **D Bm A G**
[Solo de Introdução:]

[Primeira Parte]

I've got a right to be wrong
My mistakes will make me strong
I'm steppin out
Into the great unknown
I'm feeling wings though
I've never flown
I've got a mind of my own
I'm flesh and blood to the bone
I'm not made of stone
Got a right to be wrong
So just leave me alone

[Refrão]

I've got a right to be wrong
I've been down
Too long
I've got to break free
So that I can
Finally breathe
I've got a right to be wrong
Got to sing my
Own song
I might be singing out of key
But it sure feels good to me
I got a right to be wrong
So just leave me alone

[Ponte]

You're entitled to your opinion but it's really my decision
I can't turn back I'm on a mission If you care don't you dare

Blur my vision Let me be all that I can be Don't
Smother me with negativity Whatever's out there waiting for me
I'm gonna to face it willingly
