

Joss Stone - Security

Tom: **B**

Abm7 Ebm7 E7 Dbm7
A loss that would have thrown

(Abm7 Ebm7 E7)
A hole through anybody's soul
And you were only human after all
So don't hold back the tears my dear

Abm7 Ebm7 E7 Dbm7
Release them so your eyes can clear

Dbm7 B D#7sus4 Eb7
I know that you will rise again
But you gotta let them fall

E7 Dbm7 Abm B Dbm7 D Eb4 Eb
I wish that I could snap my fingers
Erase the past but no
You cannot rewind reality
Once the tape's unrolled

E7 Abm Dbm7 Ebm7
If your spirit's broken and you can't bear the pain

Dbm7 Abm Ebm7 E7
I will help you put the pieces back A little more each day and
if your heart is locked

B Bbm Eb E7 Ebm7 Dbm7

and you can't find the key Lay your head upon my shoulder
I'll set you free I'll be your security

Repete tudo até o refrão
A moment of despair
That forces you to say that life's unfair
It makes you scared of what tomorrow may bring
But don't go giving into fear
Stop hiding all alone in there
The show keeps going on and on
But you'll miss the whole damn thing
I wish I had a crystal ball to see what the future holds
But we don't know how the story ends till it's all been told

Chorus

Dbm7 Ebm4 Ebm B Abm
On any clock upon the wall The time is always now So baby kiss
the past goodbye
Don't let the future blow your mind

E Dbm7 B
Just sit back and chill Take things as they come You can't be
afraid

B E Eb4
To live for today I will be with you each step of the way

CHORUS AGAIN AND THE END!

Acordes
