

# Joss Stone - Security

Tom: **B**

**Abm Ebm E7 Dbm**  
A loss that would have thrown

**(Abm Ebm E7 )**  
A hole through anybody's soul  
And you were only human after all  
So don't hold back the tears my dear

**Abm Ebm E7 Dbm**  
Release them so your eyes can clear

**Dbm B D#7sus4 Eb7**  
I know that you will rise again  
But you gotta let them fall

**E7 Dbm Abm B Dbm D Eb4 Eb**  
I wish that I could snap my fingers  
Erase the past but no  
You cannot rewind reality  
Once the tape's unrolled

**E7 Dbm Abm Ebm**  
If your spirit's broken and you can't bear the pain

**Dbm Abm A**  
I will help you put the pieces back a little more each day and  
if your heart is locked

**Bbm Eb Ebm E7 Ebm Dbm B**

and you can't find the key Lay your head upon my shoulder  
I'll set you free I'll be your security

Repete tudo até o refrão  
A moment of despair  
That forces you to say that life's unfair  
It makes you scared of what tomorrow may bring  
But don't go giving into fear  
Stop hiding all alone in there  
The show keeps going on and on  
But you'll miss the whole damn thing  
I wish I had a crystal ball to see what the future holds  
But we don't know how the story ends till it's all been told

Chorus

**Dbm Ebm4 Ebm Abm B**  
On any clock upon the wall The time is always now So baby kiss  
the past goodbye  
Don't let the future blow your mind

**E Dbm B**  
Just sit back and chill Take things as they come You can't be  
afraid

**B Eb E Eb4**  
To live for today I will be with you each step of the way

CHORUS AGAIN AND THE END!

## Acordes
