Rap Verse:

Right now let's stay in the present  
Can't worry bout tomorrow cause today is a blessin'  
The world in a state of aggression  
I find calm in you  
I see my mom in you  
It's like a feelin' in a n stomach  
when you want it so bad  
If you keep keepin' it fresh  
it ain't gonna go bad  
I been through the valley of love  
Rolled the shores of Cali  
just to find peace of mind  
Lookin' to the sky  
askin' for at least a sign  
Beautiful you came at such a decent time  
when we combine  
it's like good food and wine  
Flavorful yet refined  
you remind me of the divine  
So easy  
Love can be lost and then found, like Stevie  
I just love havin' you around  
you wearin' a gown  
I'm wearin' a crown  
pound for pound  
we the freshest couple in town

{Chorus}
