Dm7
I don't care how
(Rap: C G Am7)
Right now lets stay in the present
Can't worry bout tomorrow cause today is a blessin
The world in a state of aggression
I find calm in you
I see my mom in you
It's like a feelin' in a niggas stomach
when you want it so bad
If you keep keepin' it fresh
it ain't gonna go bad
I been through the valley of love
Rolled the shores of cali
just to find peace of mind
Lookin' to the sky
askin' for at least a sign
Beautiful you came at such a decent time
when we combine
it's like good food and wine
Flavorfull yet refined
you remind me of the divine
So easy
Love can be lost and then found, like Stevie
I just love havin' you around
you wearin' a gown
I'm wearin' a crown
pound for pound
we the freshest couple in town

(Repete: refrão)
