

# Joss Stone - Victim Of a Foolish Heart

Tom: **Eb**

Intro: **Eb BbM Ab BbM Cm**

**Eb** **BbM Ab**  
Your scars were still showing **BbM Cm**

When I first met you baby **BbM Ab** **BbM Cm**  
From all the wrong she had done to you **BbM Cm**  
**Eb** **BbM Ab** **BbM Cm**  
Then I came along and applied a little lovin'  
**Eb** **BbM Ab** **BbM Cm**  
Slowly but surely I brought you through

**Eb** **BbM Ab** **BbM Cm**  
Now she's back to rekindle that old flame **BbM Ab**  
**Cm** **BbM Ab**  
She's got a different angle baby **Ab7**  
**Ab**  
But she's playing the same old game

**Eb** **BbM Ab** **BbM Cm**  
Baby don't be a victim of a foolish heart **BbM Cm**  
**Eb** **BbM Ab**

Don't let her lies get next to you **BbM Ab** **BbM Cm**  
**Eb** **BbM Ab** **BbM Cm**  
She's just tryin' to tear us apart **BbM Cm**  
**Eb** **BbM Ab** **BbM Cm**  
She's tryin' to make me her victim too

Now I know she comes around here every time I leave  
Because she knows she's still on your mind  
Even a wise man jumps in misery somewhere down the line  
But only a fool would jump the second time

Our affair is growing stronger everyday  
Don't let her come and steal our happiness away

Baby don't be a victim of a foolish heart  
Don't let her lies get next to you  
She's just tryin' to tear us apart  
She's tryin' to make me her victim too

Baby don't be a victim of a foolish heart  
Don't let her lies get next to you  
She's just tryin' to tear us apart  
She's tryin' to make me her victim too
