

Joss Stone - Way Oh

Tom: **C**

Intro

Am Em Am Em

Am F Em
Til we meet again, hold on
Am F Em
Til we speak again, keep strong
Am F Em
The world don't need to know what's going on
Am G
Keep up your head til we meet again
Am F Em
The kiss you left on my bedside light
Am F Em
The words you whisper make me feel right
Am F Em
The clothes you scattered on the porch that night
Am Em
Is all so, oh, oh, oh

Dm
You're my special lover man
Em
Always undercover man
Am
See now this I can't stand
Dm
We got a problem, babe
Em
You're my precious other man

And I know I'll never land
Dm
Another like you
G
My secret lover man

Am Em
Way oh, way oh, Way oh, way oh
Am Em
Way oh, way oh, Way oh, way oh
Am Em
I gotta go to where I won't show
Am G
They'll never know, that's the beauty of love

Am Em
Way oh, way oh, Way oh, way oh
Am Em Am Em Am Em
Way oh, way oh, Way oh, way oh

Am
Cause I know
Am Em
That he's never gonna do me like that
F G
He's my man, my heart, my buffalo soldier
Am Em
From where I'm standin' there is no turnin' back
F G
At second since I heard his rhythm it was over
Am Em
I don't want no double time opinion
F G Am Em Am Em Am
Most efficient enough, I'm with him stop, Just stop
Em

Cause you know

Am Em Am Em Am Em
Way oh, way oh, Way oh, way oh

Am Em
I hear the chirpin' of the choir in the back
F G
Made up their minds they don't wanna get to know you
Am Em
They get to chattin' up all kind of trash
F G
Not much is happenin' in their lives, they just get older
Am Em
They only dig me better with a problem
F G Am Em F
That don't feel good to myself so I give them not
Am
Cause I know
Am Em
That he's never gonna do me like that
