"A" Part before Chorus (If you want you could just strum the **A** chord)
Note: Strum each of these once, but by the end of the "A" part it goes more into a strum

Chorus:

a variation of the "A" part is then used at the end of the first chorus
The rest of the song is basically a repeat of this with a slight variation in the order
it, listen to the song to tell which part to play.
