

Journey - Never Too Late

tom:

E
E

Intro: E A B E

E
Her head is filled with doubt
A B A
Search her heart for faith that can't be found
E
He's running desperate now
A
All that he's become is just not working anymore
B A B
He's needing something more

A B
Someone that he used to be
C D
Part of her is a mystery
A B
Spinning around in a empty place
C D
Lie to themselves till they're blind with rage

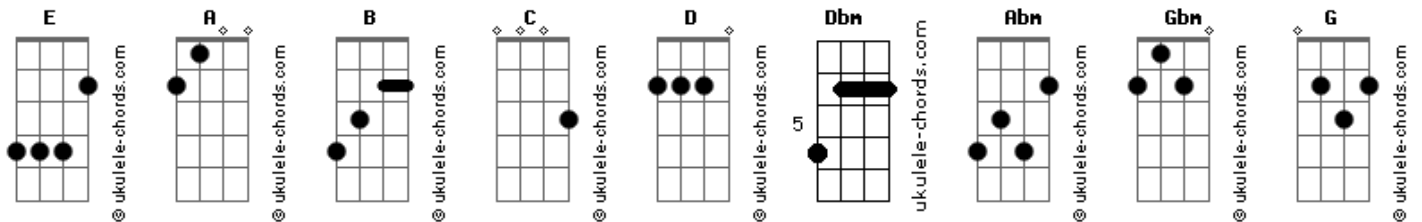

B Dbm
It's never to late
Abm A
To feel the world come crashing down
B Dbm
It's never too late
Abm A
It's darkest just before the dawn
B Dbm
They can rise above it all
A E
To see there's life beyond the pain
B Dbm
Never thought they'd fall this far
A E
You know it's never too late to change

E
So much to understand
A B A
So much to feel and finally now they can
E
They'll see a different day

All because they faced themselves
A
And now I hear them say
B A
They're gonna be okay

A B
She found who she used to be
C D
And now there is no mistery
A B

Acordes

Open his eyes in a brand new place
C D
A different soul in a different face

B Dbm
It's never to late
Abm A
To feel the world come crashing down
B Dbm
It's never too late
Abm A
It's darkest just before the dawn
B Dbm
They can rise above it all
A E
To see there's life beyond the pain
B Dbm
Never thought they'd fall this far

A Gbm
Love is waiting, love is patient, love is kind
E
Love is falling into places in their minds
C G
They love enough to know the difference
D E
The dream they had today, don't throw it all away

(E D G A)
(G C D)
(E D G A)
(G C D)

B Dbm
It's never to late
Abm A
To feel the world come crashing down
B Dbm
It's never too late
Abm A
It's darkest just before the dawn
B Dbm
They can rise above it all
A E
To see there's life beyond the pain
B Dbm
Never thought they'd fall this far
A E
You know it's never too late to change

E D G A
To rise above it all, never question, never fall
G C D
There is no mistery they are who they used to be
E D
They're in a brand new place
G A
A different soul and a different face
G C D
The dreams they had today don't throw it all away
