Em D C

Em D C Em D C
Here we stand, worlds apart, hearts broken in two, two, two
Em D C Em D C
Sleepless nights, losing ground, i'm reaching for you, you, you

Em, D C
Feelin' that it's gone, can change your mind
Em, D C D Em
If we can't go on, to survive the tide, love divides

Em D
Someday love will find you, break those chains that bind you
C Em
One night will remind you, how we touched
C D
And went our separate ways

Em D
If he ever hurts you, true love won't desert you

C Em
You know i still love you, though we touched
C D
And went our separate ways
Em D C Em D C
Troubled times, caught between confusions and pain, pain, pain
Em D C Em D C
Distant eyes, promises we made were in vain, vain, vain
Em D C Em D
If you must go, i wish you love, you'll never walk alone
C D Em
Take care my love, miss you love

Em D
Someday love will find you, break those chains that bind you
C Em
One night will remind you, how we touched
C D
And went our separate ways

Em D
If he ever hurts you, true love won't desert you
C Em
You know i still love you, though we touched
C D
And went our separate ways
