

Journey - Walkin Away From The Edge

Tom: G

Em E2
Watchin' the sun come up
C Em
Like I've never seen it before
C
I've been gone for a long time
Am D
There's no place to hide anymore
Em E2
I feel the light on my face
C Em
Touchin' me down to my soul
C
Waking up from a bad dream
Am D
Something I had to let go

Em C
Can't blame anyone
D Bm
For all of the damage I've done
Em C
I had to face myself
D
Before I'd fall down I found I could turn around

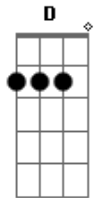

G D
Walkin' away from the edge
Em
While I can still live to tell
G D
Coming back from the dead

F C
On the road between heaven and hell
Em D
Freedom comes day by day
Am C
Till the demons are out of my head
Em
Walkin' away from the edge...

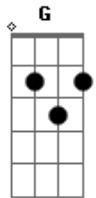

Em E2
You don't know how lost you are
C Em
Till you're spinning out of control
C
Before you know it you've gone too far
Am D
Left the rest of the world far below
Em E2
Friends are gone one by one
C Em
I'd pretend I'm alright on my own
C C
My disguise just starts wearin' thin
Am D
Until all I've become is alone

Em C
I reached out to anyone
D Bm
Who would tell me what I'd want to hear
Em C
But I'm the one who could save myself
D
I couldn't look down, I turned around before it was too late
