

# Joy Crookes - Feet Don't Fail Me Now

tom:  
 Bbm (forma dos acordes no tom de Am )  
 Capotraste na 1ª casa

I've been posing with red skies  
 Retweeting picket signs

Put my name on petitions, but I won't change my mind

I'm keeping up appearances

The dark side of my privilege  
 Damn, thank God I've got my vice

The dopamine tuition will keep me wrong from right  
 But I don't like when my better side takes hold of me

I didn't want you to know

Man, I guess I was scared

Feet, don't fail me now

I got to stand my ground

And though I'm down for trying, I am better in denial

So I hush, don't make a sound

Feet, don't fail me now

I got to stand my ground

And though I'm down for trying, I am better in denial

I, I cry like crocodile

Then drink opinions out

I've always got an answer, th? sun shines out my mouth

There ain't a rul? I'd wanna break

(There ain't a rule I'd wanna break)

I'd rather kill than show my face

Man, I guess I was scared

Feet, don't fail me now

I got to stand my ground

And though I'm down for trying, I am better in denial

So I hush, don't make a sound

Feet, don't fail me now (feet, don't fail me now)

I got to stand my ground (gotta stand my ground)

And though I was down for trying

I was scared

But no blame's worth buying

I better hiding?

Why? Oh, why?

Didn't I try?

I was scared

Feet, don't fail me now

I got to stand my ground (gotta stand my ground)

And though I'm down for trying, I am better in denial

So I hush, don't make a sound

Feet, don't fail me now

I got to stand my ground, my ground

And though I'm down for trying

My feet, don't fail me now

## Acordes
