

Joy Crookes - Feet Don't Fail Me Now

```
tom:
                Bbm (forma dos acordes no tom de Am )
Capostraste na 1ª casa
I've been posing with red skies
Retweeting picket signs
Put my name on petitions, but I won't change my mind
I'm keeping up appearances
                 Em
The dark side of my privilege
Damn, thank God I've got my vice
The dopamine tuition will keep me wrong from right
But I don't like when my better side takes hold of me
I didn't want you to know
Man, I guess I was scared
Feet, don't fail me now
I got to stand my ground
And though I'm down for trying, I am better in denial
So I hush, don't make a sound
Feet, don't fail me now
I got to stand my ground
And though I'm down for trying, I am better in denial
I, I cry like crocodile
Then drink opinions out
I've always got an answer, th? sun shines out my mouth
There ain't a rul? I'd wanna break
(There ain't a rule I'd wanna break)
```

```
I'd rather kill than show my face
                     Αm
Man, I guess I was scared
Feet, don't fail me now
I got to stand my ground
And though I'm down for trying, I am better in denial
So I hush, don't make a sound
Feet, don't fail me now (feet, don't fail me now)
                       Dm
I got to stand my ground (gotta stand my ground) ${\rm Dm}$
And though I was down for trying
I was scared
But no blame's worth buying
Am I better hiding?
Why? Oh, why?
       F7
Didn't I try?
I was scared
Feet, don't fail me now
I got to stand my ground (gotta stand my ground)
And though I'm down for trying, I am better in denial
So I hush, don't make a sound
Feet, don't fail me now
I got to stand my ground, my ground
                Dm
And though I'm down for trying
My feet, don't fail me now
