

# Joy Crookes - Feet Dont Fail Me Now

tom:

[Primeira Parte]

**Bbm** **Bbm**  
I've been posing with red skies  
**Bbm**  
Retweeting picket signs  
**Bbm** **Gb**  
Put my name on petitions, but I won't change my mind  
**Ebm**  
I'm keeping up appearances  
**Fm**  
The dark side of my privilege  
**Bbm** **Bbm**  
Damn, thank God I've got my vice  
**Bbm** **Bbm**  
The dopamine tuition will keep me wrong from right  
**Gb** **Ebm**  
But I don't like when my better side takes hold of me  
**F7**  
I didn't want you to know

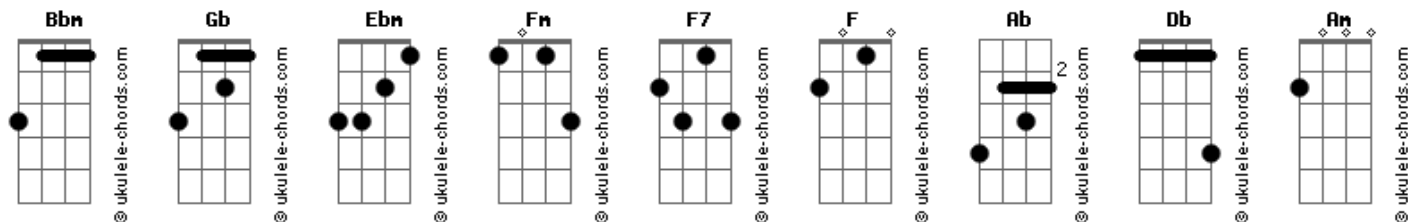

[Refrão]

**Bbm**  
Man, I guess I was scared  
**Gb**  
Feet, don't fail me now  
**Ebm**  
I got to stand my ground  
**Fm**  
And though I'm down for trying  
**F**  
I am better in denial  
**Bbm**  
So I hush, don't make a sound  
**Gb**  
Feet, don't fail me now  
**Ebm**  
I got to stand my ground  
**Fm** **F**  
And though I'm down for trying  
**F**  
I am better in denial

[Segunda Parte]

**Bbm** **Ab** **Bbm**  
I, I cry like crocodile  
**Ab** **Bbm**  
Then drink opinions out  
**Ab** **Bbm** **Ab** **Gb**  
I've always got an answer, th? sun shines out my mouth  
**Gb** **Gb**  
There ain't a rul? I'd wanna break (There ain't a rule I'd  
wanna break)  
**Ebm** **F7**  
I'd rather kill than show my face
