(**Db** **Gb**)
Walk in silence,
Don't walk away, in silence.
See the danger,
Always danger,
Endless talking,
Life rebuilding,
Don't walk away.
Trace a dangerous

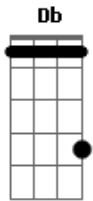

(**Db** **Gb** **Ab** **Gb**)

(**Db** **Gb**)
Walk in silence,
Don't walk away, in silence.
See the danger,
Always danger,
Froze broken
Those emotions
Don't walk away.

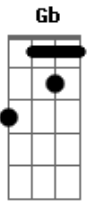

Ab **Gb**
People like you/ find it easy,
(**Db** **Gb**)
always in to,
Walking in air.
The Hunting parts
By the rivers, for the streets,
We maybe have the sun
The maybe you care
Walk away.
Walk away.
From dangerous
(**Db** **Gb** **Ab** **Gb**)

(**Db** **Gb**)
I'm, I'll just cross the lag
Just crossing the lag
Tined goodbye
Appearing a one
Appearing a one
Sing just crossing the lag
Don't walk away
Don't walk away
