

Joy Division - Incubation

Tom: C

From: (Paul Thompson)

As always, timings are approximate at best.

"Melody":

Something like this is played in place of chords in Substance variation of the melody.

version:

Chords in live version:

Additional chords (both versions, toward end of song):

of Iron) and the rather apocalyptic live version of Heart and Soul both from

the Shadowplay performance.) Not included is the acoustic

guitar Ian is

plinking on in the live version.

The Substance version appears to have synth added as a sort of background

filler, and the chord portion of the song in live versions is

replaced by a

This song could hardly be considered complete without the unique bass portion...

Oh well.
