Tom: **G**

D
Don't you know i wish i was closer?

I wanna be there in the morning
C **G**
So i'm working through the night
Em
And i'll be smiling into your name
C **G**
When you're robbing those brown eyes
Em
And if you'll ever leave me, call me
C **G**
I wanna make sure you're alright
Bm **Am** **Bm** **C**
I don't wanna be so far from home
Em
You know you're daddy little soldier

'Cause you're carrying the light!
Bm **Am** **Bm** **C**
And those shadows fall when you're around!

D **Em**
Don't you know i wish i was closer?

C
I'd be watching over
D

Em
I'll lift you on my shoulders

G **Bm**

For you i sing, for you i sing

For you i sing

D **Em**
Don't you know i wish i was closer?
C
I'd be watching over
D
And if you're too small to see

I'll lift you on my shoulders
