

JP Cooper - Need You Tonight (feat. Ray Blk)

tom:

[Primeira Parte]

D
Oh no, I'm straight in at the deep end
D
It was just a quiet drink with my friends
Gm
My god, I even chose a place you wouldn't be seen dead in
D
It's a Friday
D
You never used to go out at the weekend
D
I guess you go out at the weekend these days
Gm
And I don't want to listen to what my friends say

[Pré-Refrão]

D
They say, "Let her go, let her go
Em7
Maybe she'll come back"
D
Everyone's giving me advice to move on
Bm
Em7
But they're playing our song

[Refrão]

A
Standing here tonight, I'm watching you move
D
There's a little space on the dance floor
Bm
A
Would you mind if I came and danced with you?
Bm
G
I promise not to step on your shoes
D
Maybe we can start a little conver...sation
Bm
A
'Cause recently my heart's been breaking
Bm
G
And I can't tell wrong from right
A
D
But I know I need you tonight
Bm
I need you tonight
G
I need you tonight
A
I need you tonight

[Segunda Parte]

D
Need you like the rhythm needs the blues
D7M
D
Not embarrassed to say I'm desperate too
D
Feel like I'm lost and alone without my best friend
Gm
Another chance and I'll never take you for granted
D
