

JP Cooper - September song

Tom: E

(com acordes na forma de C)

Capostrate na 4ª casa

Intro: 2x: Em Am F C

Our love was strong as a lion

Soft as the cotton you lie in

Times we got hot like an iron

You and I

Our hearts had never been broken

We were so innocent darling

We used to talk 'til the morning

You and I

We had the mixtape on every weekend

Had it repeating, had it repeating

Refrão:

You were my september song

Summer lasted too long

Time moves so slowly

When you're only 15

You were my september song

Tell me where have you gone

Do you remember me

We were only 15

And I.... I remember the chorus

They were singing it for us

You were my september song

Tell me where have you gone

Do you remember me

We were only 15

Sometimes I think that I see her

Face in the strangest of places

Down on the underground station

Passing by

I get a mild sense of danger

Feel like my heart couldn't take it

'cause if we met we'd be strangers

You and I

But I play that mixtape every weekend

Got it repeating.... got it repeating

Refrão:

You were my september song

Summer lasted too long

Time moves so slowly

When you're only 15

You were my september song

Tell me where have you gone

Do you remember me

We were only 15

And I.... I remember the chorus

They were singing it for us

I hear that september song

And I'm singing along

Thinking about you and me

Oh what a melody

And as the years go by

You will still be mine

Still Be mine

Refrão:

You were mine

You were my september song

Summer lasted too long

Do you remember me

We were only 15

And I.... I remember the chorus

They were singing it for us

You were my september song

Tell me where have you gone

Time moves so slowly

When you're only 15

And I... I remember the chorus

They were singing it for us

You were mine

You were my September song

I remember the chorus

They were singing it for us
