Em Bm
 She's on my mind, she's on my mind
 Am D
 She's on my mind, she's on my mind
 Em Bm
 I can't sleep at night
 Am D
 'Cause she ain't by my side

 Em Bm
 I've seen a lot of pretty faces
 Am D
 Ain't nobody like you
 Em Bm Am
 And I've never had a love like
 D
 The one we knew
 Em Bm Am
 Tell me why I had to play the clown
 D
 Always messing around
 Em Bm Am D
 Can't stop thinking how I let you down, down, down

Em Bm
 She's on my mind, she's on my mind
 Am D
 She's on my mind, she's on my mind
 Em Bm
 I can't sleep at night
 Am D
 'Cause she ain't by my side
 Em Bm

 Am D
 'Cause she ain't by my side

Em Bm
 I can't sleep at night
 Am D
 'Cause she ain't by my side
 Em Bm Am
 My friends say that she's a keeper
 D
 But I let her go
 Em Bm
 Didn't know how much I need her
 Am D
 'Til I was on my own
 Em Bm Am
 I've been drinking but the truth won't drown
 D
 No, the truth won't drown
 Em Bm Am D
 Bad medicine won't go down, down, down

Em Bm
 She's on my mind, she's on my mind
 Am D
 She's on my mind, she's on my mind
 Em Bm
 I can't sleep at night
 Am D

'Cause she ain't by my side
 Em Bm
 She's on my mind, she's on my mind
 Am D
 She's on my mind, she's on my mind
 Em Bm
 I can't sleep at night
 Am D
 'Cause she ain't by my side

Em Bm
 The cover's over
 Am D
 If I could dream I'd hold you
 Em Bm Am
 Can't stop thinking, am I even
 D
 On your mind
 Em Bm
 Now, the nights are colder
 Am D
 Miss you on my shoulder
 Em Bm Am
 Miss you there on my cheek
 D
 Every night

Em Bm
 She's on my mind, she's on my mind
 Am D
 She's on my mind, she's on my mind
 Em Bm
 I can't sleep at night
 Am D
 'Cause she ain't by my side

Em Bm
 She's on my mind, she's on my mind
 Am D
 She's on my mind, she's on my mind
 Em Bm
 I can't sleep at night
 Am D
 'Cause she ain't by my side
 Em Bm
 She's on my mind, she's on my mind
 Am D
 She's on my mind, she's on my mind
 Em Bm
 I can't sleep at night
 Am D
 'Cause she ain't by my side

Em Bm
 The cover's over
 Am D
 Miss you on my shoulder
 Em Bm
 Miss you there on my cheek
 Am D
 Every night
 Em Bm
 She's on my mind, she's on my mind
 Am D
 She's on my mind, she's on my mind
