Intro: F G

C  
I was distracted and in traffic

Am  
I didn't feel it when the earthquake happened

F  
But it really got me thinkin', were you out drinkin'?

G  
Were you in the living room, chillin' watchin' television?

C  
It's been a year now, think I've figured out how

Am  
How to let you go and let communication die out

F G Am G  
I know, you know, we know you weren't

F  
Down for forever and it's fine

F G Am G  
I know, you know, we know we weren't

F  
Meant for each other and it's fine

F  
But if the world was ending you'd come over, right?

G  
You'd come over and you'd stay the night

C  
Would you love me for the hell of it?

Am  
All our fears would be irrelevant

F  
If the world was ending you'd come over right?

G  
The sky'd be falling and I'd hold you tight

C  
And there wouldn't be a reason why

Am  
We would even have to say goodbye

F G  
If the world was ending you'd come over, right? Right?

C Am
