Intro: A Dbm E Badd9

Badd9 A
Heard your voice in my head
Saying: Don't be afraid to tell the truth

A
Now I'm laying in bed
Dbm E
All alone, and I can hardly move
Thinking what I've done Badd9

A Dbm
But we play games
E
And we make shapes
Badd9
On different sides
A Dbm
And we prefer
E
All our colors
Badd9
Outside the lines

A Dbm
We fight each other like oil and water
E Badd9
But you and me got chemistry
A Dbm
And if we scatter, it doesn't matter
E Badd9
'Cause you and me got symmetry

(A Dbm E B (Badd9))

A Dbm
When you talk like you do
Dbm E
You should know it shows up on my face
B
When you're not around
A
But I'll break all the rules
Dbm E
If you hold me, and you tell me all the ways
B (Badd9)
You'll take away the doubt

A Dbm
But we play games
E
And we make shapes
Badd9
On different sides
A Dbm
And we prefer
E
All our colors
Badd9
Outside the lines

A Dbm
We fight each other like oil and water
E Badd9
But you and me got chemistry
A Dbm
And if we scatter, it doesn't matter
E Badd9
'Cause you and me got symmetry
A Dbm E Badd9
Oh, oh, you and me got symmetry
A Dbm E Badd9
Oh, oh, you and me got symmetry
