Tom: A

(intro/verse 2x w/out vocals 4x with vox)

(chorus)

(verse) (chorus)

(2nd lead)

(chorus) (verse) (chorus to fade)

H = hammeron P = pulloff ~ = vibrato

B = bend/\ = slide

= artificial harmonic

Acordes

X = ghost note Tr = trill troubleshooter (tipton/halford/downing) 1/4 You've got it, i want it. my little troubleshooter I need it, you feed it. my hunger drives me to ya You bring me round with your velvet hands You're gettin' new life to me You put me back to promised land Just where you know i should be You can take me You can shake me You can break me down You're givin' i'm gettin'. i'm gettin' satisfaction You're bendin' i'm takin'. i want some heavy action You're bendin' and i'm mendin' Gettin' back together

You really got what it takes To make a bad man better

You can take me You can shake me You can break me down

ps = pick scrape % = repeat phrase

natural harmonic
