Lyrics-

One life I'm gonna live it up

I'm takin' flight I said i'll never get enough

Stand tall I'm young and kinda proud

I'm on top as long as the music's loud

If you think I'll sit around as the world goes by

You're thinkin' like a fool cause it's a case of do or die

Out there is a fortune waitin' to be had

You think I'll let it go you're mad

You've got another thing comin'

That's right here's where the talkin' ends

Well listen this night there'll be some action spent

Drive hard I'm callin' all the shots

I got an ace card comin' down on the rocks

If you think I'll sit around while you chip away my brain

Listen I ain't foolin' and you'd better think again

Out there is a fortune waitin' to be had

You think I'll let it go you're mad

You got another thing comin'

In this world we're livin' in we have our share of sorrow

Answer now is don't give in aim for a new tomorrow

Oh so hot no time to take a rest yeah

Act tough ain't room for second best

Real strong got me some security

Hey I'm a big smash I'm goin' for infinity yeah

If you think I'll sit around as the world goes by

You're thinkin' like a fool cause it's a case of do or die

Out there is a fortune waitin' to be had

You think I'll let it go you're mad

You've got another thing comin'
