

# Jude Smith - Groove In

tom:  
D  
[Riff Principal]

You were the one 'til you turned that playlist on  
A hundred songs that kinda dragged on way too long  
Don't feel the drums and I can't hear no guitar  
I told her I don't see this going very far  
'Cause I got to

Em A  
Hold on to another rhythm  
Bm7 A  
'Off The Wall' baby that's my wisdom  
Em A Bm7  
I play it cool when you're playing out of time  
A  
I keep groove in  
Groove in, yea yea

[Riff Principal]

All out of tissues baby, send some Jackson 5  
You were the girl that didn't like JT  
And I gotta say that made me pretty angry  
You were all right but baby that just crossed the line  
Oh and I keep on feelin'...

Em A  
I want the stars but I'm at ground zero  
Bm7 A  
Mr. Mars baby that's my hero  
Em A Bm7  
And no one else ever gets me quite as high  
A  
I keep groove in  
Em A  
I'm sick of thinking lately what we could've been  
Bm7 A  
I spin some 'Breezin' baby, that's my medicine  
Em A Bm7  
I play it cool when you're playing out of time  
A  
I keep groove in

[Riff Principal]

Ah groove in, Yea yea  
Keep groove in now  
Baby no, right now yea  
Right now yea  
Oh right now, yea  
Right now, yea

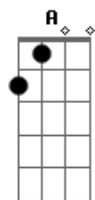

Em A  
City lights filling up my rear view  
Bm7 A  
A skyline, yet I only see you  
Em A Bm7  
You want out but you'll stay in there this time  
A  
Gotta keep groove in

Em A  
Cause Billie Jean baby that's my lover  
Bm7 A  
And Steely D wouldn't lose my number  
Em A Bm7  
I play it cool when you're playing out of time  
A  
I keep groove in  
Em A  
Baby keep groove in  
Bm7 A  
Baby no right now, yea  
Em A  
Baby keep groove in  
Bm7 A  
Baby no right now, yea  
Oh right now yea

[Riff Principal]

Keep on movin', keep that groove in  
Keep on movin', keep that groove in  
Keep on movin', keep that groove in  
Keep on movin', keep that groove in (keep singing again)  
Keep on movin', keep that groove in (keep singing again)  
Keep on movin', keep that groove in (keep the groove in now)  
Keep on movin', keep that groove in (no no no no)  
Keep on movin', keep that groove in  
Keep on movin', keep that groove in
