

Judy Collins - Both Sides Now

tom:
Em

Bows and flows of angel hair G C G

And ice cream castles in the air C G

And feather canyons everywhere C C Am

I've looked at clouds that way D

But now they only block the sun G C G

They rains and snow on everyone C G

So many things I could have done C Am

But clouds got in my way D

I've looked at clouds from both sides now G C G

From up and down, and still somehow C G G

It's clouds' illusions I recall B C G

I really don't know clouds at all G C G E C G

Moons and Junes and ferris wheels G C G

The dizzy, dancing way you feel C G

When every fairy tale comes real C C Am

I've looked at love that way D

But now it's just another show G C G

You leave them, laughing as you go C G

And if you care, don't let them know C C Am

Don't give yourself away D

I've looked at love from both sides now G C G

From give and take, and still somehow C C G

It's love's illusions I recall B C G

I really don't know love at all G C G E C G

Tears and fears and feeling proud G C G

To say, "I love you" right out loud C G

Dreams and schemes and circus crowds C C Am

I've looked at life that way D

But now old friends are acting strange G C G

They shake their heads, they say I've changed C C G

But something's lost and something's gained C C Am

In living every day D

I've looked at life from both sides now G C G

From win and lose, and still somehow C G G

It's life's illusions I recall B C G

I really don't know life at all G C G E C G
