Juice Wrld - Life's A Mess (feat. Halsey)

Was a lost cause, with some lost love tom: Α Fm It ain't my fault, pain chose us, then I found her G Intro: Em D Bm Rm Have you ever fallen head over heels for somebody? My whole world turned upside down, uh Em D Bm Oh, not just somebody, no, no (rex, you did again) But for the better [Primeira Parte] [Pré-Refrão] D Em I belong with the one put on this earth for me Em Have you ever fallen head over heels for somebody Bm Α Everybody has their someone, just gotta look and see Bm That made promises that give you the world? (Um) I'm screaming out, "Lord, help me, I've been lonely" Em I really hope they held you down Bm That's when you accept me Bm D I really hope it was no lying 'cause when heart breaks Then you set me free It feel like the world's gone [Refrão] Fm But if the love's real, you'd feel your soul roar like a lion Em D Uh, some times life's a mess (uh) Bm And you'd finally let bygones be by-gones Bm I get high when I'm upset Em D Don't throw in the towel, I know it feels like you're the only Em D I remember when me and love didn't click one trying Bm Bm Searching for somethin' real, then I found it You just gotta learn to live and love on [Pré-Refrão] Em Uh-uh, sometimes life's a mess D Bm Fm Yeah, I get high when I'm upset I belong with the one put on this earth for me D Everybody has their someone, just gotta look and see I remember when me and love ain't click Fm I'm screaming out, "Lord, help me, I've been lonely" Looking for somethin' real, then I found it Rm That's when you accept me [Bridge] Then you set me free Em [Refrão] (Then I found her) oh (then I found her) ah Bm D (Then I found her) oh (then I found her) ah Fm Uh, some times life's a mess (uh) Em D 0h ah . I get high when I'm upset Α Bm 0h ah D I remember when me and love didn't click [Terceira Parte] Searching for somethin' real, then I found it Fm D Fm D Thank God, I finally found you Uh-uh, sometimes life's a mess Bm Α Yeah, I get high when I'm upset You put the light in my eyes when I'm around you Em Fm D I remember when me and love ain't click I'm too flawed to hold you down, but Bm Looking for somethin' real, then I found it Don't wanna be here alone [Segunda Parte] D And I thank God, I finally found you Fm I'll put the light in your eyes if I'm allowed to Been pretty fucking bad, but it's better now Bm D I'm too flawed to hold you down, but Through the trials and tribulations, I found my way out Em n Feel all of the good and bad vibrations all around Don't wanna be here alone Α All around us, they surround us [Final] Em D Bm A Em D Bm A
