

Jules Shear - Steady

tom:

C

Intro: C G Am G Am G Am G Am

Friends, they call me on the phone

Cause I'm steady, I'm steady

Talk about unhappy homes

Cause I'm steady, I'm steady

Though I don't like to let it show, I got troubles of

My own

We push and pull and we fall apart

I'm not gonna die of a broken heart

I just don't want to stop and start

Cause I'm steady, I'm steady

Day to day is so unsure

But I'm steady, I'm steady

I watch people crash and soar

But I'm steady, I'm steady

The more they try so hard to change

The more they stay the same
